WE ARE CARRYING ON!

The Society is still working to help researchers and historians utilize our resources!

Even though we are all impacted by the effects of the COVID-19 pandemic our volunteers have continued to work from home, and on rare occasions in isolation or socially distanced at our archive. Inquiries through the website have not slowed down.

One impact of this pandemic on the Society has been a restriction in our abilities to raise funds. At the moment we are working to create a new website allow us to offer for sale items from the Society's store including tour books, mementos, pictures, ornaments and more.

This month is our annual our dues renewal meeting. Your membership dues and donations will help us continue to function, though in a limited fashion.

With limited fund-raising opportunities donations to assist us in covering the bricks and mortar expenses are more important than ever.

We are asking for both your dues renewal and for consideration of a donation.

With no shortage of worthy causes to support, we have held off an making separate appeals in deference to those more vital to our collective recovery, but we must also consider the Society's survival.

Watch for the imminent launch of our new website offering the ability to purchase items or make donations.

Or you can help immediately by sending a check to us at Waltham Historical Society, 190 Moody Street, Waltham, MA 02453.

We promise to put it to good use and repay your generosity through more and better offerings in the COVID-free future.

***Please stay safe and healthy,
and as always,***

Thank you for your support!
